

Dear Mr. President

My name is Jaden [REDACTED] and I'm 10 years old. My Story is... me and my family had movie night, orange mania and going camping.

One day I got home and watched TV. Then my dad walked in and said "There are some people here" So mom got up from scrubbing the floor and some weird people walked in and went in the basement. With my dad and my ^{mom} walked up stairs and started crying. Then she said "They're taking you dad away." An before I knew it they where gone. My dad even for got to say "good-bye."

After my dad was taken away for a while. I thought we weren't a family anymore. I was so sad and mad I couldn't think clearly.

The exact reason I was put in foster care is because my mom couldn't take care of me and my aunt, uncle, grandpa, grandma, and my Dad couldn't either so I will always miss them.

My family is very important to me and I will do anything for them because I love them and I will protect them with all my heart.

P.S. Please make sure my dad doesn't get taken away again.
Sincerely, Jaden [REDACTED] [REDACTED]
