

# Actionable Insights

Summary of Resource Scan, *Girl Roster* and *Boy Matrix* in **Kasnazan**

*I'm Here* Implementation

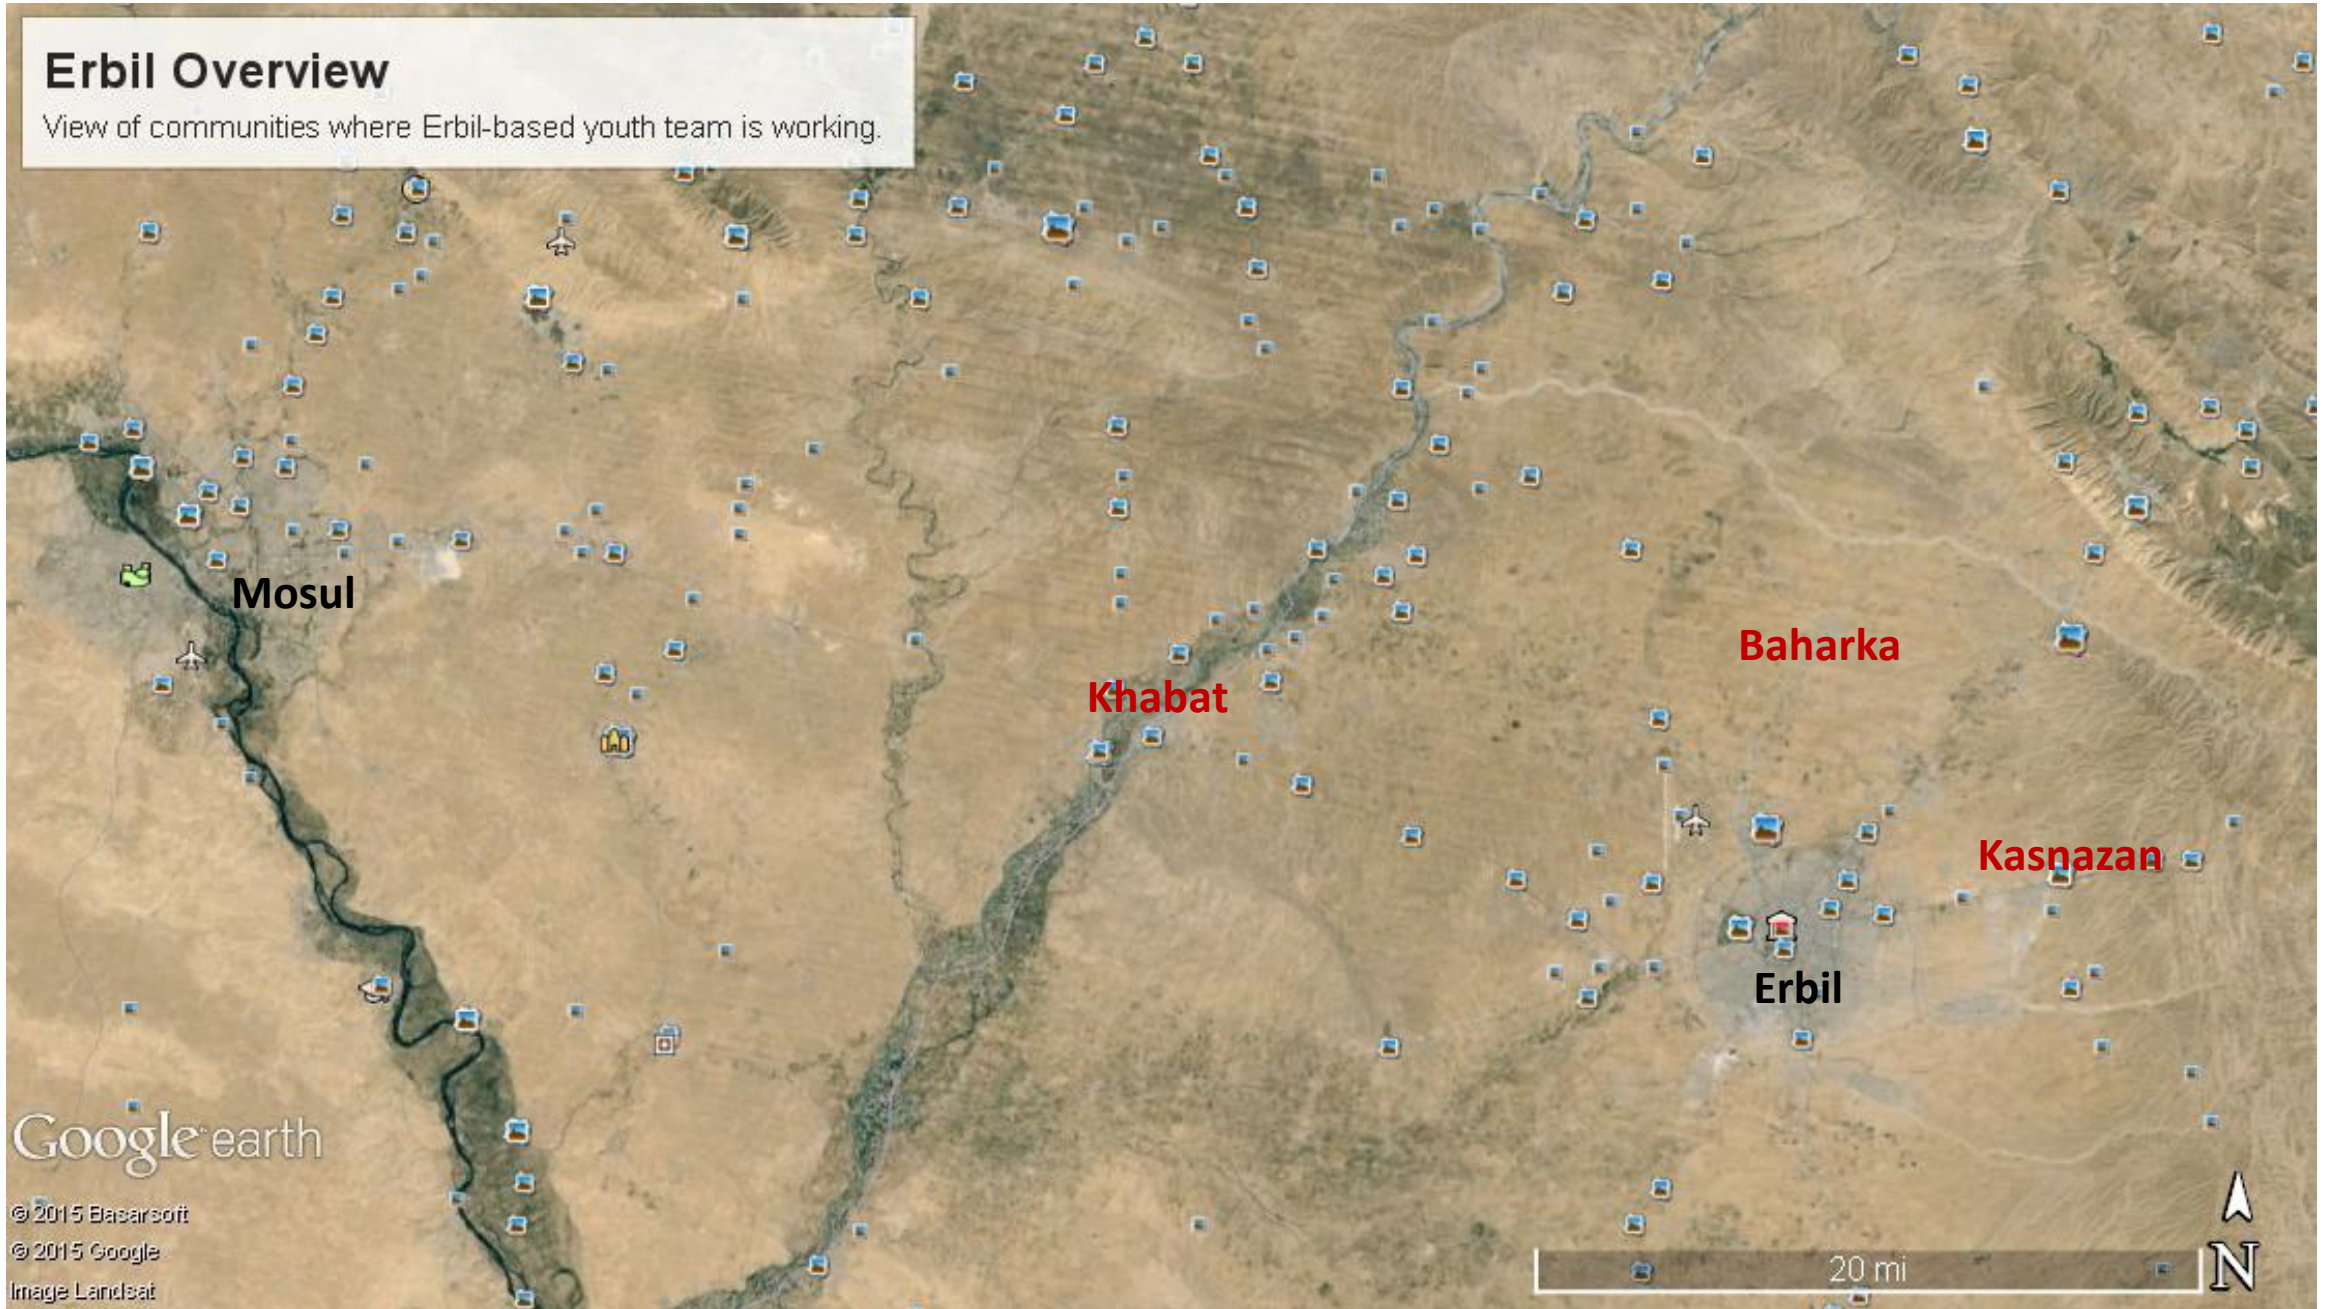

# Resource Mapping

Identify the “walkable” community—the structures and resources within it

Rationale & Outputs

# Erbil Overview

View of communities where Erbil-based youth team is working.

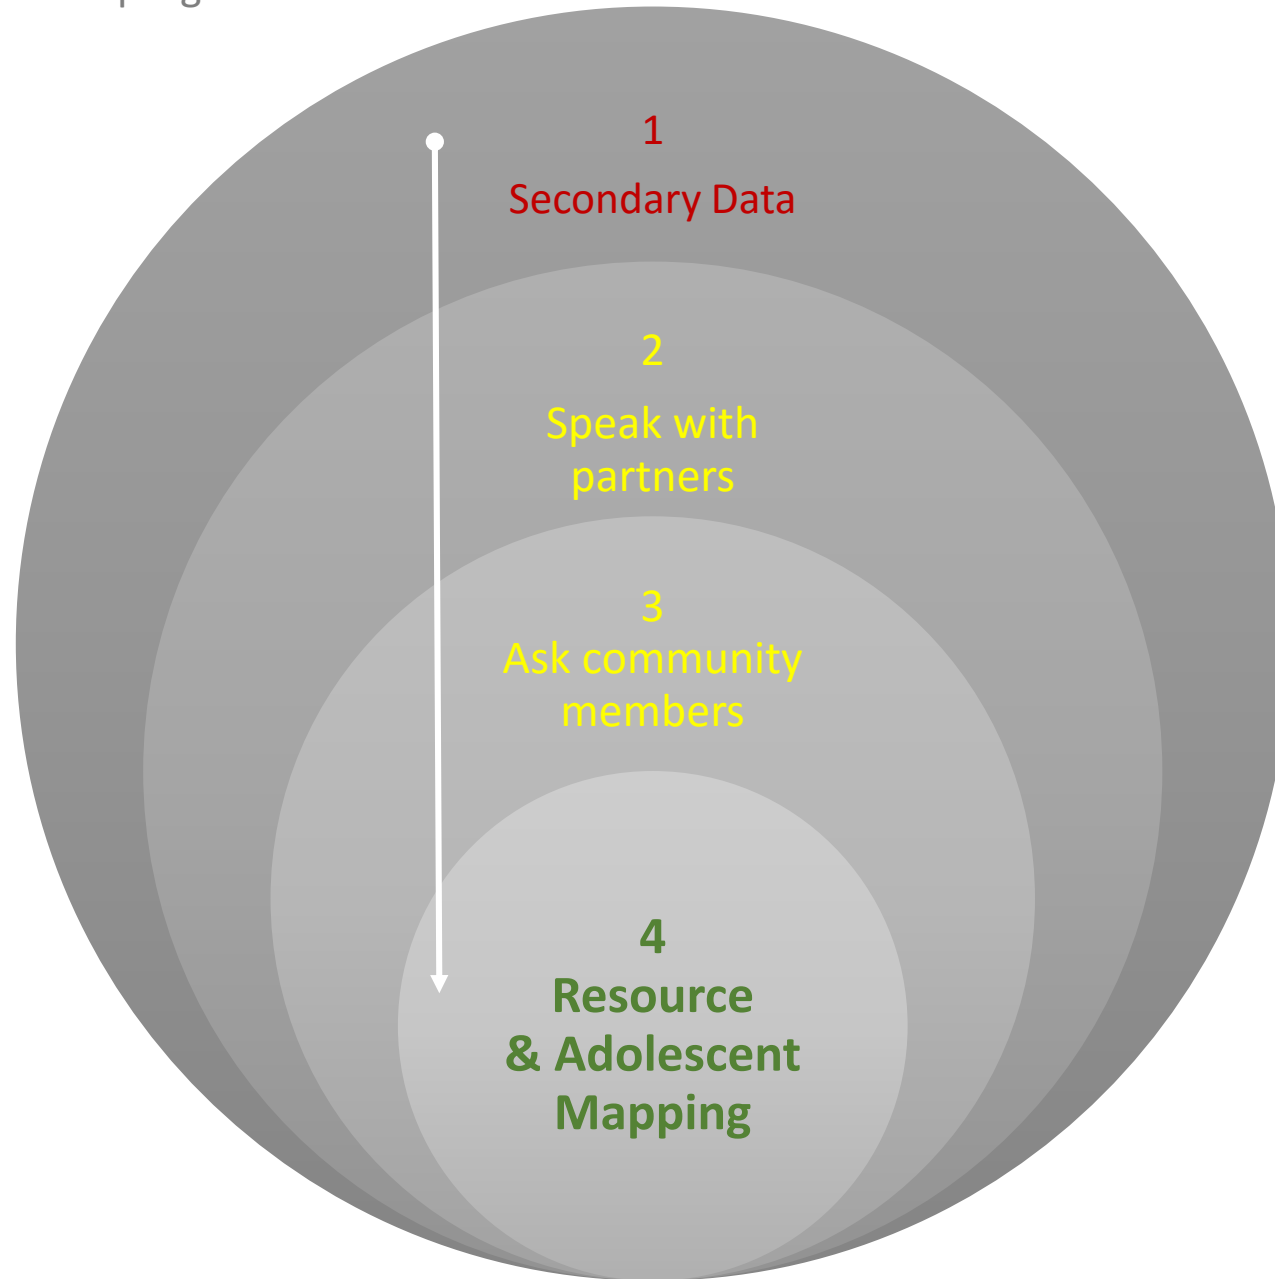

Google earth

# BE PROACTIVE | KNOW *THE* COMMUNITY

Don't stop @ #1 like most humanitarian programs

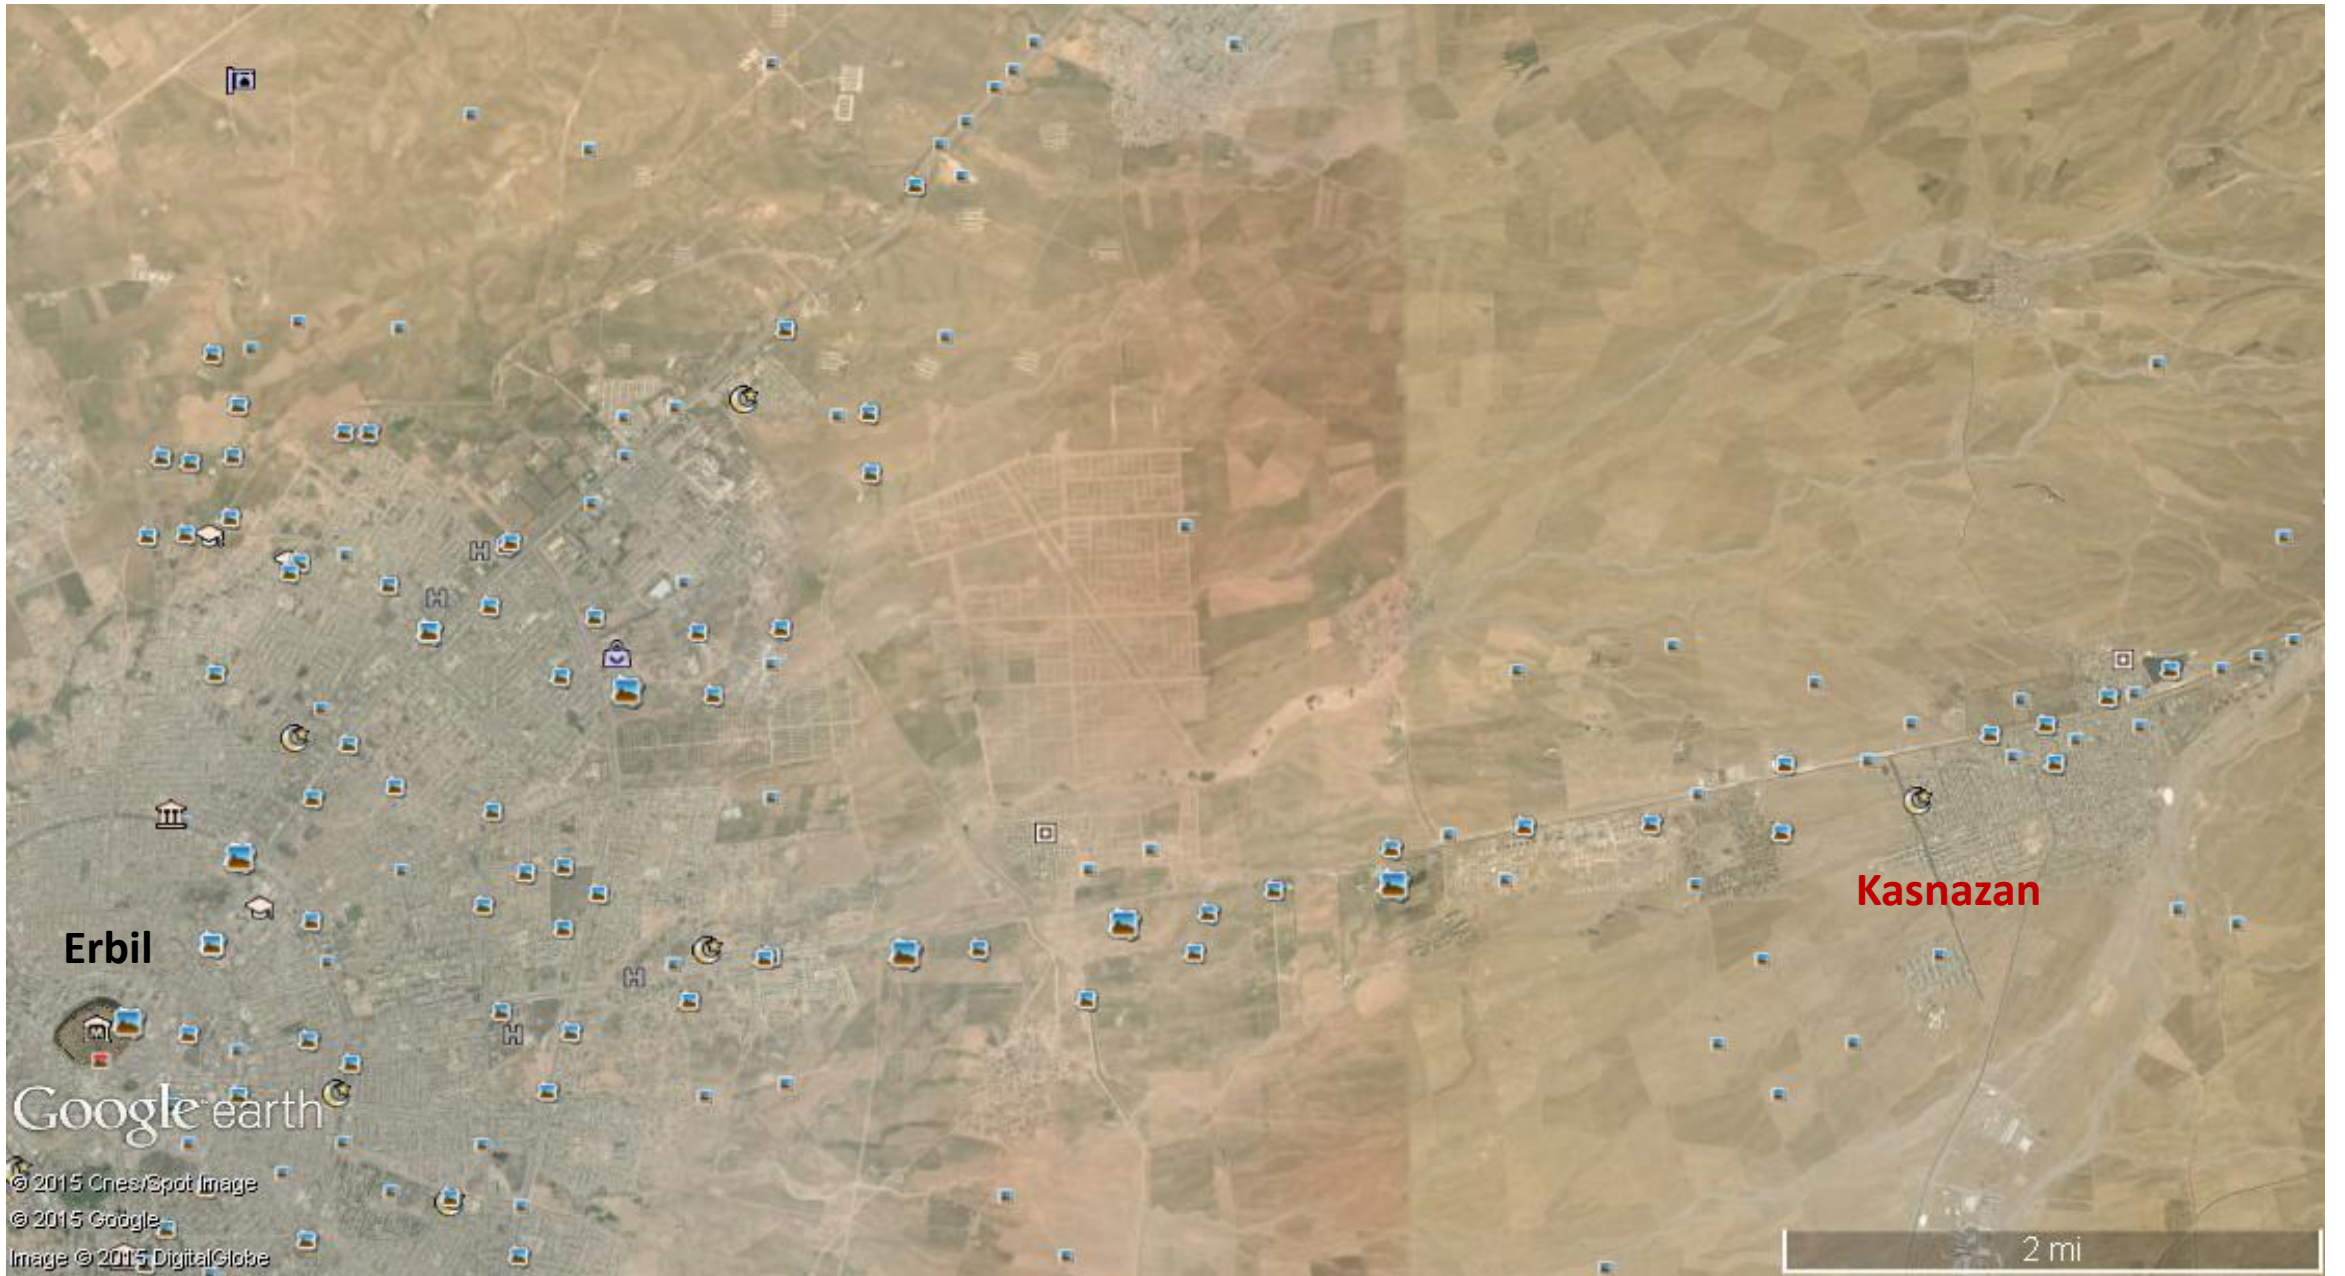

Research. Rethink. Resolve.

# Resource Mapping

Specifying where we work in **Kasnazan**

# Community resource scan

# Key Resources

What nearby resources could inform referral processes or tailored programming?

Resources **vary** across & within communities & **not always** near adolescents

# Resources (adolescent-friendly?)

# Adolescent Mapping

Making visible the context-specific profile of adolescent girls and boys

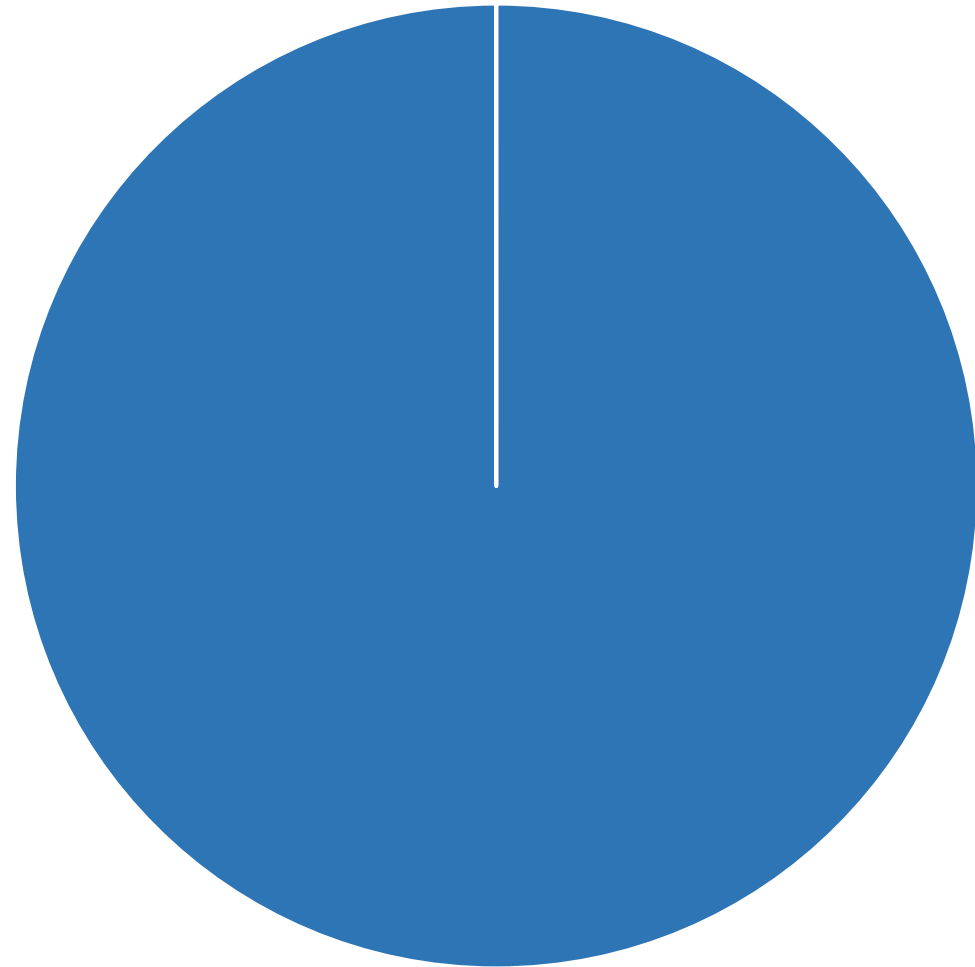

Results from the *Girl Roster* and *Boy Matrix* in **Kasnazan**, Iraq

# The **households reached** within 3 days

# 431

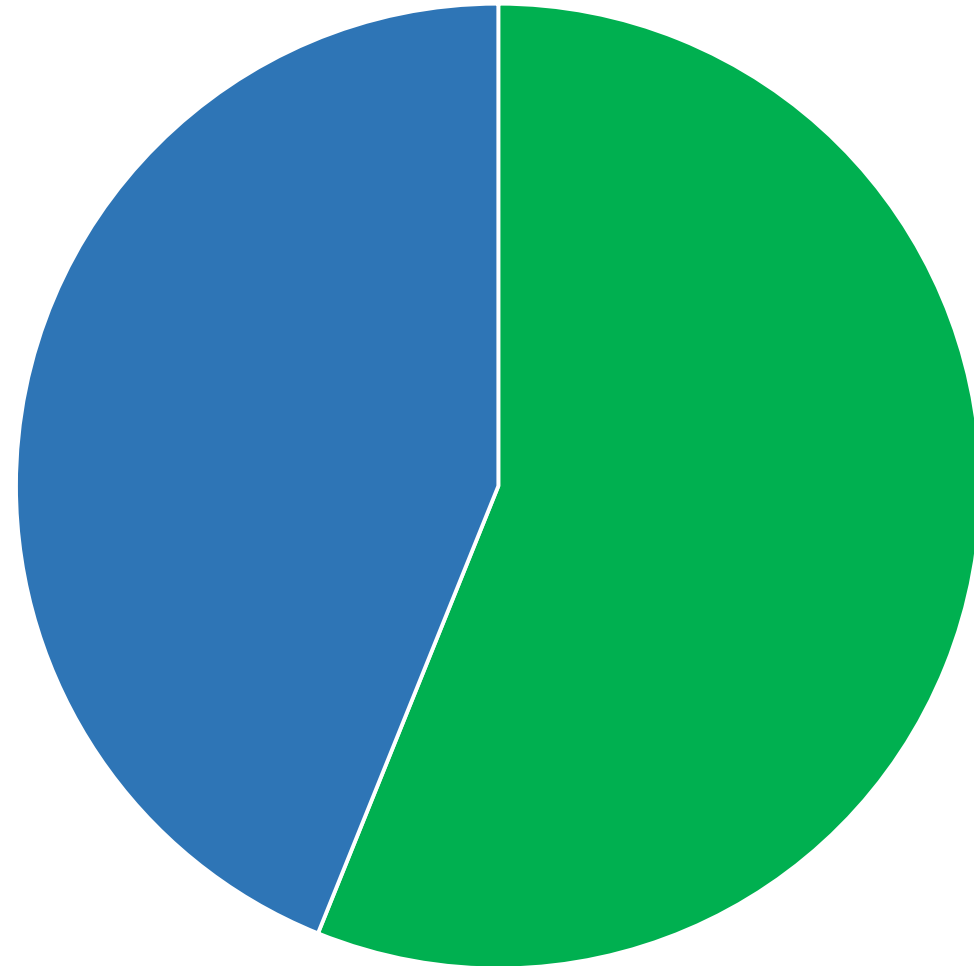

Total # of households reached

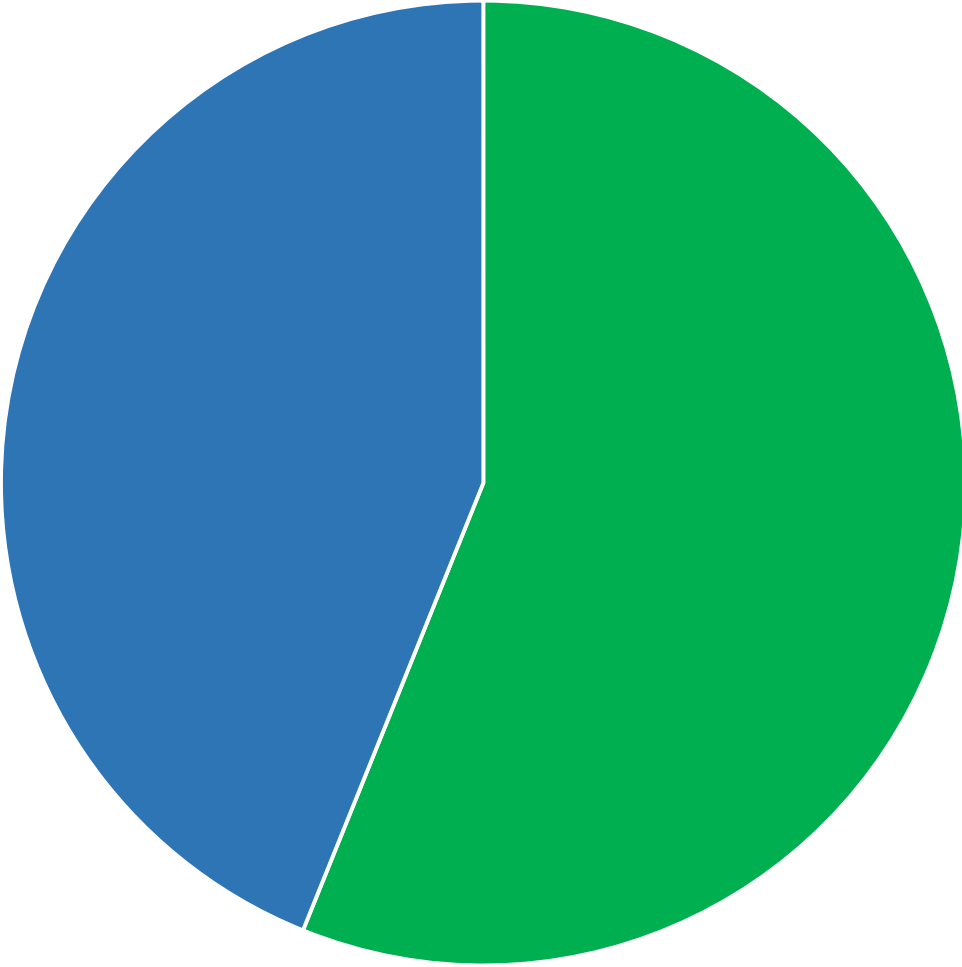

# 56.1

Percentage of households that consented to answer questions

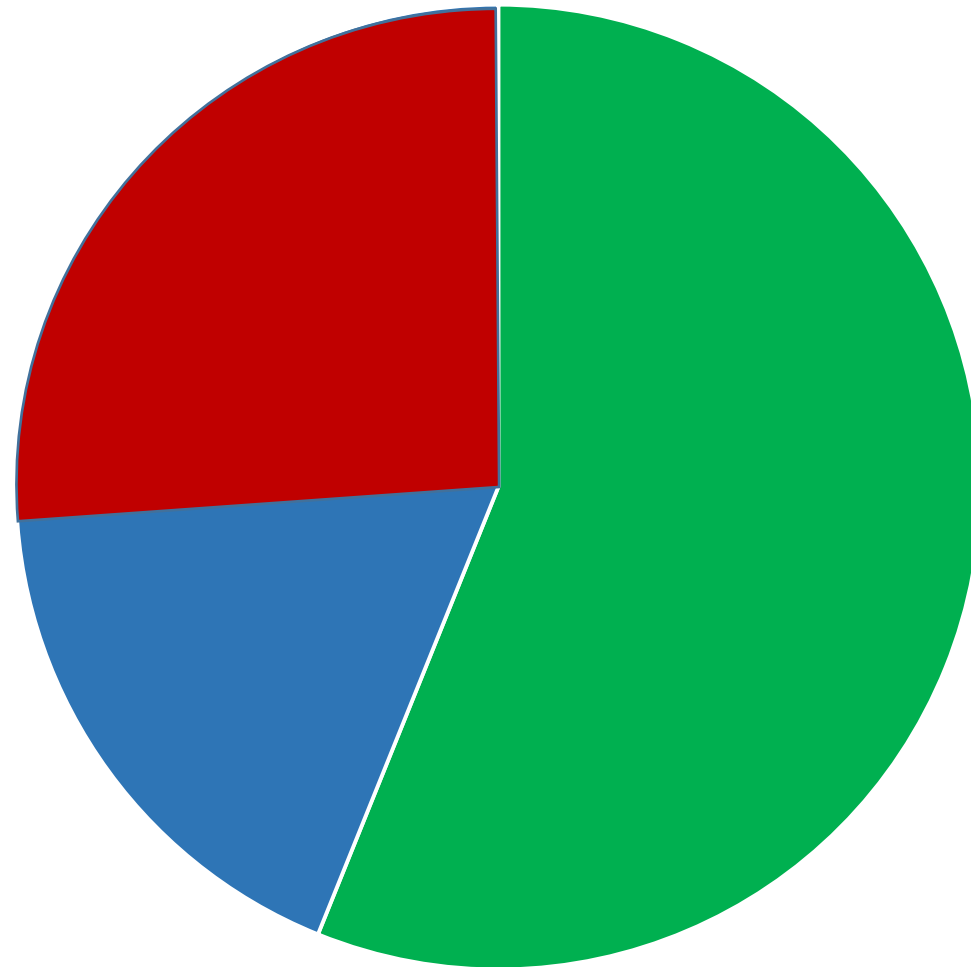

Why was consent not secured for these households?  
(n=189)

Why was consent  
not secured for these  
households?  
(n=189)

**28%** decline to participate

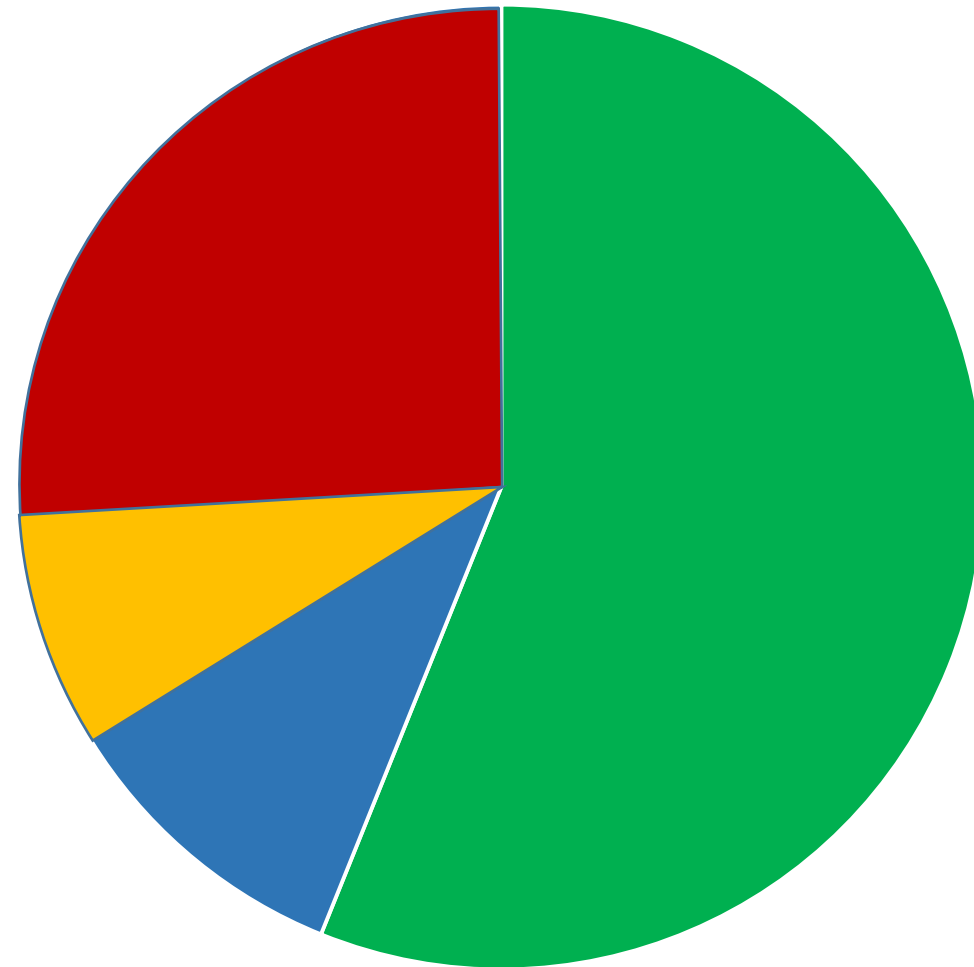

Why was consent not secured for these households?  
(n=189)

28% decline to participate

10% no one home

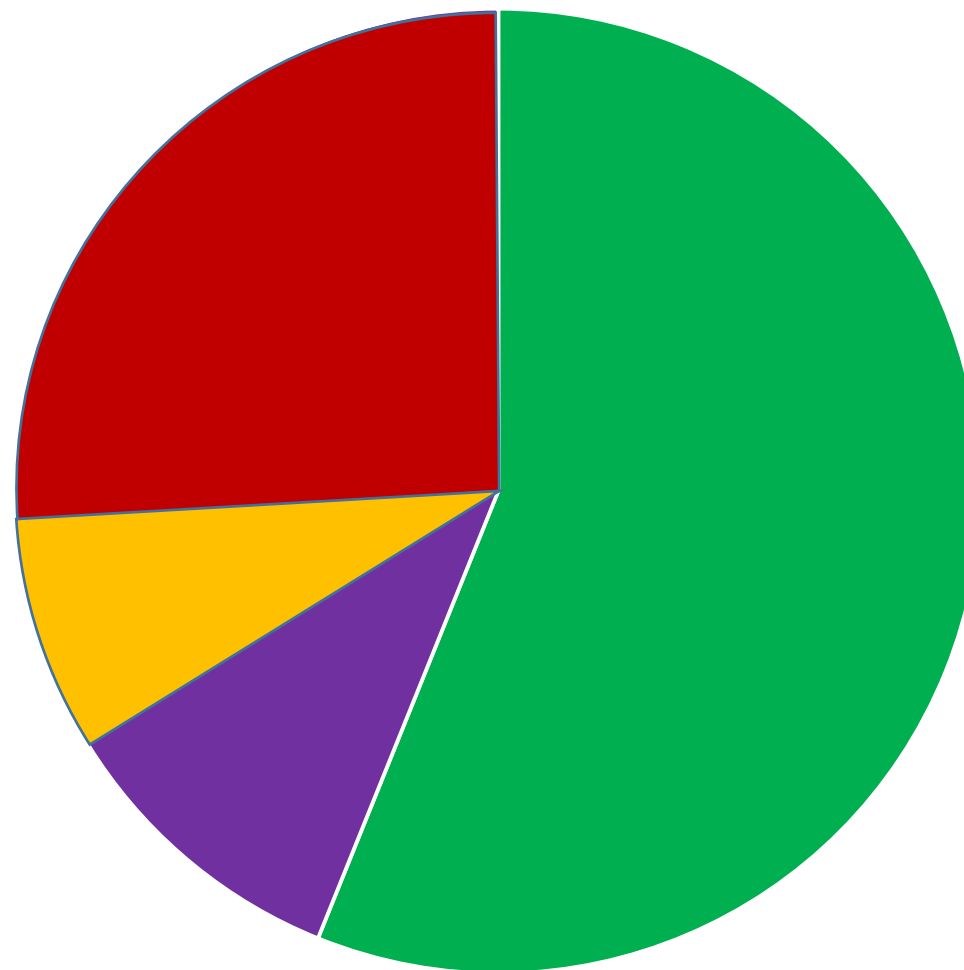

Why was consent not secured for these households?  
(n=189)

28% decline to participate

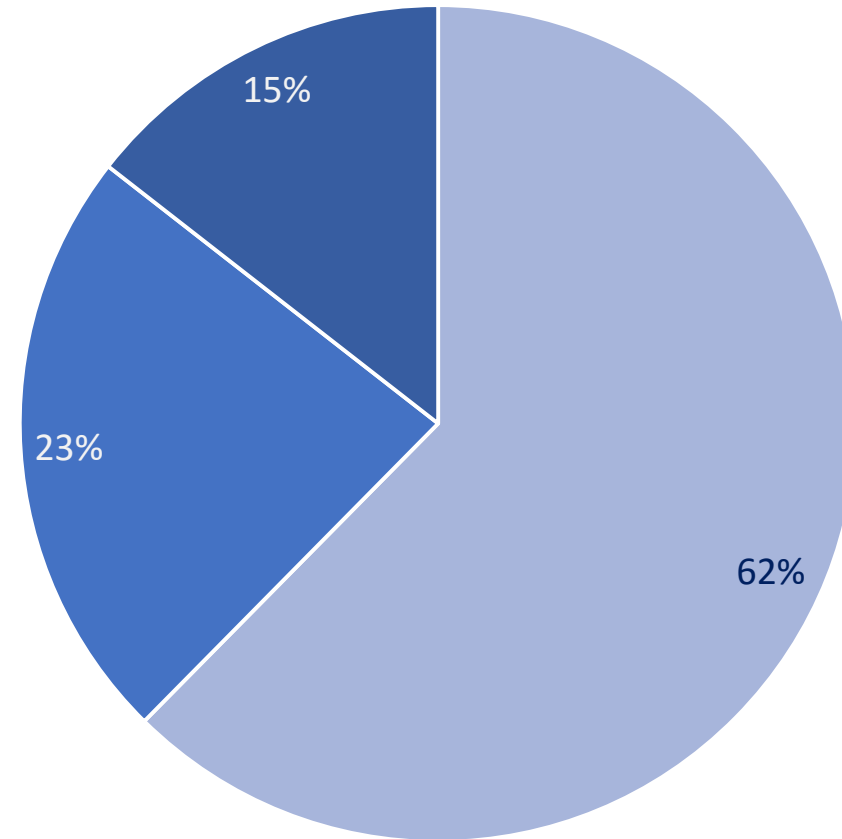

10% no one home

7% no adult home (or “other”)

# Nationality

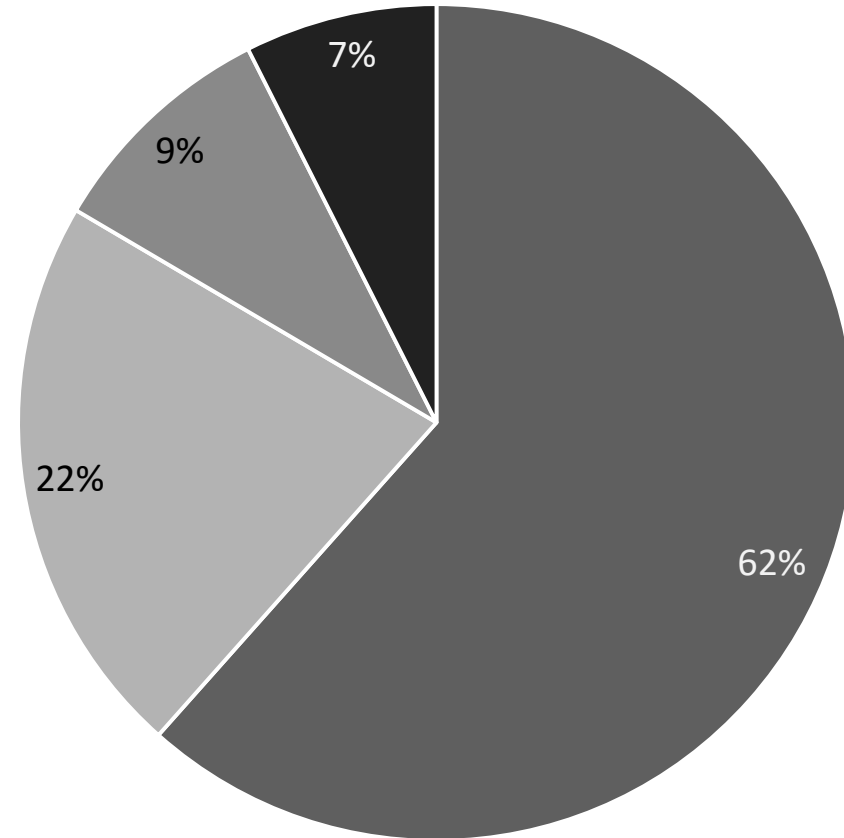

Subjective assessment based on HH interview

- Kurdish
- Iraqi
- Syrian

# Time @ HH

Proxy indicator for displacement

- >3 yrs
- 1-3 yrs
- 3 mths - 1 yr
- <3 mths

# I'm Here Approach

**Identify** the crisis-affected community

**Make** visible the context-specific profile of adolescent girls

**Hold** group meetings with girls of similar vulnerabilities or capacities

**Elaborate** plans responsive to girls' needs, risks and capacities

**Rally** support across humanitarian sectors and local communities

**Engage** the capacities of adolescent girls
